Cookie Policy

Dubtube — dubtube.net

Effective Date: March 10, 2026 | Last Updated: March 10, 2026

---

1. Introduction

This Cookie Policy explains how Dubtube ("we," "us," or "our"), operated by a company registered in Wyoming, USA, uses cookies and similar tracking technologies when you visit https://dubtube.net/ or use our platform.

By continuing to use our website and services, you acknowledge the use of cookies as described in this policy. For more information about how we handle your personal data overall, please refer to our Privacy Policy.

2. What Are Cookies?

Cookies are small text files placed on your device (computer, tablet, or mobile) by a website when you visit it. They are widely used to make websites work efficiently, to remember your preferences, and to provide information to the site owners.

In addition to cookies, we and our third-party providers may use similar technologies such as:

- Local storage and session storage — browser-based storage used to retain session state and user preferences
- Pixel tags / web beacons — small invisible images used to track page visits and events
- JavaScript-based tracking snippets — used by analytics and error monitoring tools

3. Types of Cookies We Use

The cookies and tracking technologies used on Dubtube fall into the following categories:

3.1 Strictly Necessary Cookies

These cookies are essential for the website and platform to function correctly. They enable core features such as user authentication, session management, and security. Without these cookies, the Service cannot be provided.

- Authentication tokens that keep you logged in to your Dubtube account
- Session identifiers used to maintain your state across page requests
- Security cookies used to detect and prevent fraudulent activity

3.2 Analytics Cookies

These cookies help us understand how visitors interact with our platform so we can improve performance, identify issues, and enhance the user experience. The data collected is aggregated and does not directly identify you.

- **Google Analytics:** Google Analytics — tracks page views, session duration, user flows, and feature usage. Data is processed by Google LLC. You can opt out via https://tools.google.com/dlpage/gaoptout
- **PostHog:** PostHog — product analytics tool used to analyze feature adoption, funnel performance, and user behavior within the platform. Data may be stored on PostHog's cloud infrastructure. See https://posthog.com/privacy

3.3 Error Monitoring Cookies

We use error and performance monitoring tools to detect, diagnose, and fix technical issues in real time.

- **Sentry:** Sentry — captures error reports, stack traces, and performance metrics when something goes wrong in the application. Sentry may set cookies or use local storage to correlate error events with user sessions. See https://sentry.io/privacy/

3.4 Payment and Security Cookies

Our payment processor sets cookies as part of the payment flow to ensure secure transactions and prevent fraud.

- **Stripe:** Stripe.js — Stripe places cookies and uses local storage on checkout and payment pages to detect fraud, remember payment preferences, and secure transactions. These cookies are set directly by Stripe and are governed by Stripe's Cookie Policy at https://stripe.com/cookie-settings

4. Summary of Third-Party Cookie Providers

The following table summarizes the third-party services that may set cookies or use similar technologies when you use Dubtube:

Provider	Purpose	Category	Privacy Policy
Google Analytics	Usage analytics, traffic measurement	Analytics	policies.google.com/privacy
PostHog	Product analytics, feature tracking	Analytics	posthog.com/privacy
Sentry	Error monitoring, performance tracing	Error Monitoring	sentry.io/privacy

Stripe	Payment processing, fraud prevention	Necessary / Payment	stripe.com/privacy
Dubtube (1st party)	Authentication, session management	Strictly Necessary	dubtube.net/privacy

5. How to Control and Disable Cookies

You have the right to decide whether to accept or reject non-essential cookies. You can exercise cookie preferences through the following methods:

5.1 Browser Settings

Most web browsers allow you to control cookies through their settings. You can typically find these options in the "Privacy" or "Settings" menu of your browser. You can configure your browser to:

- Block all cookies
- Block only third-party cookies
- Delete cookies when you close your browser
- Notify you before a cookie is set

Please note that disabling strictly necessary cookies will impair the functionality of Dubtube and you may not be able to log in or use core features of the platform.

5.2 Opt-Out Tools

You can opt out of specific third-party tracking using the following tools:

- Google Analytics Opt-Out: https://tools.google.com/dlpage/gaoptout
- PostHog Opt-Out: Available via PostHog's opt-out mechanism or by contacting us
- Your Online Choices (EU): https://www.youronlinechoices.eu/
- Network Advertising Initiative (US): https://optout.networkadvertising.org/

5.3 Do Not Track

Some browsers offer a "Do Not Track" (DNT) signal. At this time, Dubtube does not alter its data collection practices in response to DNT signals, as there is no universally accepted standard for how to respond to such signals.

6. International Data Transfers

Some of the third-party providers listed in this policy (including Google, PostHog, and Sentry) may process cookie data outside of your country of residence, including in the United States.

Where such transfers occur, they are subject to the respective provider's data transfer safeguards and applicable data protection law.

7. Cookie Retention Periods

Cookies used on Dubtube vary in how long they persist on your device:

- **Session Cookies:** Session cookies are temporary and are deleted when you close your browser
- **Persistent Cookies:** Persistent cookies remain on your device for a set period (typically between 30 days and 2 years depending on the provider) or until you manually delete them

For specific retention periods set by third-party providers, please refer to their respective privacy and cookie policies linked in Section 4.

8. Updates to This Cookie Policy

We may update this Cookie Policy from time to time to reflect changes in the technologies we use or applicable legal requirements. When we make changes, we will update the "Last Updated" date at the top of this page. We encourage you to review this policy periodically.

9. Contact Us
