Refund Policy

Dubtube — dubtube.net

Effective Date: March 10, 2026 | Last Updated: March 10, 2026

Dubtube provides a digital software-as-a-service (SaaS) platform. Because access to the Service is granted immediately upon payment, all purchases are generally final and non-refundable, except as described in this policy.

1. Overview

This Refund Policy applies to all subscription plans and purchases made through the Dubtube platform at https://dubtube.net/. By completing a purchase, you acknowledge that you have read and agreed to this policy.

All payments are processed by Stripe. Refund requests submitted through our support channel are handled manually and reviewed on a case-by-case basis within the scope of this policy.

2. General No-Refund Policy

Because Dubtube is a digital service that provides immediate access to software features upon payment, we maintain a strict no-refund policy for the following situations:

- You subscribed to a plan (Starter, Pro, or Business) and changed your mind after purchase
- You did not use the Service or used it less than expected during your billing period
- You forgot to cancel your subscription before the automatic renewal date
- You upgraded your plan — no credit or refund is issued for the unused portion of your previous plan
- Your account was terminated due to a violation of our Terms of Service

Cancelling your subscription stops future charges but does not entitle you to a refund. You will retain access to the Service until the end of your current paid billing period.

3. Service Credits for Platform Issues

Dubtube is committed to providing a reliable and high-quality experience. If you experience a significant disruption to the Service caused by a verified issue on our end — such as an extended outage, a critical bug that prevents core functionality, or a processing failure directly attributable to Dubtube — you may be eligible for a service credit applied to your account.

3.1 What Qualifies

Service credits may be issued at our discretion for:

- Platform-wide outages lasting more than 4 consecutive hours
- Critical bugs that prevent you from using core dubbing or translation features
- Verified processing failures caused by Dubtube infrastructure (not third-party services such as YouTube API or OpenAI)

3.2 What Does Not Qualify

Credits will not be issued for:

- Disruptions caused by third-party services (YouTube API, Stripe, OpenAI, Cloudflare, etc.)
- Scheduled maintenance communicated in advance
- Issues caused by your own internet connection, device, or browser
- Dissatisfaction with AI-generated dubbing or translation quality

3.3 How Credits Work

Service credits are applied directly to your Dubtube account and can be used toward future billing cycles. Credits have no cash value, are non-transferable, and cannot be exchanged for a monetary refund. Credits expire 12 months from the date of issuance.

4. Exceptional Circumstances

We understand that exceptional circumstances may arise. While we do not guarantee refunds outside of the situations described in Section 3, we encourage you to contact us if you believe your situation warrants special consideration. We will review such requests at our sole discretion.

Examples of circumstances we may consider on a case-by-case basis include unauthorized charges resulting from account compromise (subject to investigation) or significant billing errors on our part.

5. Chargebacks

If you initiate a chargeback with your bank or credit card provider without first contacting us to resolve the issue, we reserve the right to suspend or permanently terminate your account pending resolution. We encourage you to reach out to us at contact@dubtube.net before initiating a chargeback — most issues can be resolved quickly and directly.

6. European Union and Consumer Rights Notice

If you are located in the European Union, you may have a statutory right of withdrawal within 14 days of purchase under the EU Consumer Rights Directive. However, by purchasing a Dubtube

subscription, you expressly acknowledge and consent to immediate access to the Service and waive your right of withdrawal, to the extent permitted by applicable law.

Nothing in this policy is intended to limit any rights you may have under mandatory consumer protection laws in your jurisdiction.

7. How to Submit a Refund or Credit Request

You may submit a refund or credit request through either of the following channels:

- **By Email:** Email: Send your request to contact@dubtube.net with the subject line "Refund / Credit Request" and include your account email address, the date of purchase, your subscription plan, and a description of the issue.
- **Stripe Billing Portal:** Stripe Portal: For subscription management and certain self-service billing actions, you may also access the billing portal linked in your account settings.

We aim to respond to all refund and credit inquiries within 5 business days.

8. Changes to This Policy

We reserve the right to modify this Refund Policy at any time. Changes will be effective upon posting to our website. We will notify active subscribers of material changes via email. Your continued use of the Service after such changes constitutes your acceptance of the updated policy.

9. Contact Us
